Office of Personnel ChecklistRECRUITMENT:

Agency recruiters in the past few weeks have experienced additional anti-CIA demonstrations or activities. Demonstrations occurred at the University of Wisconsin, Rutgers, Williams College and the University of Southern California and we cancelled a presentation because of expected trouble at Berkeley College. There also was a threat against our recruiter at Penn State during her recruiting visit. However, we believe this is a group of isolated incidents not significant of any changes in the attitude toward CIA on college campuses, which we believe is quite good at this time. ☐
